In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y. says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of our own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequaled by any other. They are for sale here by J. R. Michels.

Republicans of Washington county hurry up with your county Ticket and send names of candidates to the UNION office for publication.

Doctors are said to be fast men, generally, but Dr. Clift's horse proved to be too fast for him on Sunday evening while returning from attending his patients on Mount Hope. His horse started on that hownhill grade on the double quick, leaving the Doctor behind, but he got off with a few bruises, a broken harness and a badly shaken cart.

As the St. George Tabernacle was in need of some new carpet, the Relief Society of the St. George ward met on the 4th inst for the purpose of preparing the rags, there being 79 members present, including a few young ladies. There were also two of the Bishopric present. There were 82 yards of carpet needed, and the rags were prepared the carpet wove and put in place, prior to the convening of our last Quarterly Conference, and this is a sample of what consolidation can do, for where there is union, there is strength.

□ We are informed that the members of the Society are well satisfied with being consolidated and that the best of feelings prevail among the members. The Relief Society is one of the greatest

organizations in the ward and are doing a good work.
